THD Light-Scope ANO

Diagnostic & Procedural Anoscope

NEXT GENERATION

SELF-ILLUMINATING

SINGLE-USE SYSTEM

NEW

FEATURES

- ▶ Uniquely moulded handle design
- ▶ Self-illuminating with built-in light
- ▶ Stand alone system

BENEFITS

- ▶ Eliminates cross-contamination
- ▶ No need for external light
- ▶ Saves considerable reprocessing and nurse-time
- ▶ Increases patient throughput
- ▶ Reduces cleaning and sterilization costs

Self-illuminated Lighting System

The THD Light-Scope ANO needs no other light source to illuminate the area being inspected, saving clinicians time and eliminating the need for costly external lighting systems.
